St. Mark School

After School Program

Welcome! Our After-School Program provides St. Mark students in PK3 through Grade 6 with a safe, dependable, and convenient place to spend time after the school day ends.

We understand that every family's needs are different. If your child is entering Grade 7 or 8 and you would like to request participation in the After-School Program, you are welcome to submit a written request for administrative consideration. Requests will be reviewed on an individual basis, taking into account the information provided, program capacity, staffing, and the overall needs of the After-School Program. Final decisions regarding enrollment are made by the Principal.

A Few Friendly Reminders About the After-School Program

- Please be sure your child brings a snack, and a water bottle each day.
- We are a nut-aware school, so kindly avoid sending any nut products.
- On early dismissal days, your child will need an extra snack, a water bottle, and lunch, since the program will run for a longer period.

The After-School Program staff uphold the same behavior expectations as during the school day, along with a few program-specific guidelines. We expect all students to always treat staff and each other with kindness and respect. If any behavior concerns arise, they will be addressed by the program staff and director. By registering your child(ren), you agree to support and uphold these expectations.
